Part A - Authorization	OMB No. 1240-0029			
Instructions to Employer. This page of the form must be completed in full, and authorizes a physician of the employee's choice (*See item below) to examine and/or treat an employee, covered by the Federal Workers' Compensation Act marked in the box at right, for accidental injury, illness or disease arising out of and in the course or employment.	1. This Authorization is for examination and/or treatment under the Workers' Compensation Act marked below:			
Mark either box A or B in item 7. The original and two copies of this form are to be given to the physician. The physician is to complete the medical report and the initial bill on the reverse, sending within ten days the original of the report to the Office of Workers' Compensation Programs and copies to the insurance company or employer named in item 13. Subsequent and regular follow-up reports should be submitted by the physician on Form LS-204 and/or in narrative reports, whenever requested.	 A Longshore and Harbor Workers' Compensation Act B Defense Base Act C Nonappropriated Fund Instrumentalities Act D Outer Continental Shelf 			
An employee may not select a physician who is currently not authorized by the Department of Labor to provide medical care under the Act.	Lands Act			
 2. Name and address of physician or medical facility authorized to provide medical service (The term "physician" includes doctors of medicine (MD), surgeons, podiatrists, dentists, clinical psychologists, optometrists, osteopathic practitioners, and chiropractors. Payment for chiropractic services is limited to charges for physical examinations, related laboratory tests, x-rays to diagnose a subluxation of the spine, and treatment consisting of manipulation of the spine to correct a subluxation demonstrated by x-ray. See 20 CFR 702.404) name: A subscription of the spine in the spi

3. Employee's Name	4. Date of Injury (mm/dd/yyyy)	5. Occupation

6. How accident or illness occurred

7. You are authorized to provide medical services to the employee as follows:

- A If you believe the condition is related to the injury or the employee's occupation, furnish office and/or hospital treatment as necessary for the effects of this injury.
- B If you are in doubt as to whether the condition(s) found on examination is related to the injury, you are authorized to examine the employee, using indicated non-surgical diagnostic studies, and should promptly advise those listed in item 13 whether you believe the disability is due to the alleged injury. Pending further advice you may provide necessary conservative treatment.

You are requested to submit a written report of first treatment within 10 days to the Office of Workers' Compensation Programs. See item 12 below (See back of this form for Instructions as to medical report and the submission of your charges).

Public Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 10 minutes per response for the employer and 55 minutes per response for the employee, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Use of this form is optional, however furnishing the information is required in order to obtain and/or retain benefits (20CFR 702.419). Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, 200 Constitution Avenue, N.W., Room C-4319, Washington, D.C. 20210, and reference the OMB Control Number.

DO NOT SEND THE COMPLETED FORM TO THIS OFFICE

The purpose of this information is to determine an injured worker's entitlement to benefits under the Longshore and Harbor Workers' Compensation Act (LHWCA). Completion of this form is not mandatory; however, failure to provide the information may result in the loss of benefits. Additional disclosures may be to: (1) employer which employed the claimant at time of injury, or to insurance carrier which secured the employer's compensation liability. (2) medical service providers for use in providing treatment, making evaluations and for purposes relating to the medical management. (3) Department of Labor's Office of Administrative Law Judges (OALJ), or other person, board or organization, which is authorized or required to render decisions with respect to the claim. (4) Federal, state and local agencies for law enforcement purposes, to obtain information relevant to a decision under the LHWCA to determine whether benefits are being and have been paid properly, and where appropriate, to pursue salary/administrative offset and debt collection actions required or permitted by law. (5) Failure to disclose all requested information may delay the processing of the claim, the payment of benefits, or may result in an unfavorable decision or reduced level of benefits.
